Starlight Cove
Access in 3 Simple Steps!

To Display and Use the Menu Screen

1. Press **MENU** on your remote control.
2. Use the arrow keys ⟳ to select a heading or submenu.
3. Press **OK** to select.
4. Press **EXIT** to close the main menu.

#1. Find and select "Menu" on your remote.

#2. Select "Starlight Cove"

#3. Select "Community Info" or "Messages"

PLEASE WATER YOUR LAWN

Many yards in the community are brown and dry. Please remember to set your sprinkler so that your lawn and landscape are watered several times a week to keep them green and alive. Not much rain this season, so give Mother Nature a hand and water on a regular basis until the rain arrives.
All homeowners need to help keep the community looking as good as possible and healthy green lawns are a big part of the best look for Starlight Cove.
