BOARD OF DIRECTORS ANNUAL BUDGET MEETING
Monday, February 12, 2018 - 6:00 PM AT THE POOL PAVILION

Hello Neighbor!

Just in case you were unable to attend the February 12, 2018 Board of Directors Annual Budget meeting and are interested in the agenda items that were discussed:

1. Hotwire Presentation – Their proposal can be retrieved from the StarlightBoynton.com Home page. Please click link. Question and answer session proceeded presentation from Ms. Jamie French. A revised proposal to be generated.
2. A 3rd Party Violations and Towing Coordinator is still being considered. A formalized proposal is to be generated.
3. The fountain planting is scheduled to occur this spring by All Season's Landscape, along with new annuals to be planted at the entrance.
4. MRTA Committee Report – Discussion of MRTA to be tabled until next meeting.
5. No Fishing Signs – New signs were approved for purchase and placement around the lake, not to exceed \$250 for signs and posts.
6. Community Survey – Portions of the community was recently surveyed. It was found that the ficus hedges planted along El Clair Ranch are the responsibility of Westchester Golf and Country Club. The ficus hedges planted and bordering Country Greens at the community rear were planted by Country Greens and a majority of the hedges exist on the community's property lines. Dialogue is set to begin with Country Greens and Westchester Golf and Country club for maintenance.
7. One unit was referred for collections and 1 unit was referred to the Fining Committee
