

Greetings Association Members and Neighbors,

We are your newly elected HOA Board and are excited to introduce ourselves:

Office	Name
President	Clyde Borraccini
Vice President	Marcus Warner
Treasurer	Steve Fritts
Secretary	Cheryl Edwards
Director at Large	Chuck Harad

It is our mission to serve you and manage your HOA in way that keeps cost down while maintaining homeowner's property values. We will strive to find that perfect balance that makes both things possible. We were elected with the intention of working together, as a team, to ensure that our wonderful community thrives and is an example of how a vibrant neighborhood should be maintained.

We first would like to thank and commend the prior Board for their service and want to acknowledge their efforts and assistance during this time of transition. Since being elected, we have accomplished several things such as becoming certified. We have many goals that we would like to achieve, as well as challenges that we would like to address during our term. It is our goal to create a better and more harmonious community through communication. It is our commitment to you to quickly and effectively communicate any important information to the association members. We are always open to suggestions as to how to better accomplish this goal. In the meantime, we have already started drafting a Community Newsletter for regular distribution and are forming short term committees to quickly address key neighborhood concerns. So get ready to volunteer !

We look forward to serving the community and homeowners of Starlight Cove to the best of our ability. With your help, Starlight Cove will always be a desired neighborhood and an ideal place to live.

We would greatly like to see our fellow homeowners at the monthly Board meetings. This is an easy way to see, hear, share ideas plus be a part of the community as we start a new beginning and - *it all begins with you.*

Sincerely,

The Starlight Cove Board of Directors
