

**Board of Directors  
Starlight Cove**

May 25, 2021

Starlight Cove Neighbor,

The pool has re-opened fully to include use of the washroom and pavilion. Reservations for gatherings in the pavilion are now being accepted. Forms for reservations can be found at [starlightboynton.com](http://starlightboynton.com). All guests are asked to remain socially distanced whenever possible. Last year the Association had a new heater/chiller installed at the pool, so the water temperature should be perfect during the summer months and the winter months. We will have to close the pool briefly in the coming weeks for routine maintenance and will notify the community prior to those dates. Enjoy your Summer!

The Board will be hosting a workshop on June 16, 2021 at 6:00 pm at the pool pavilion to discuss options related to the perimeter hedges on El Clair Ranch and Piper's Glen Blvd. All residents are invited to attend and the discussion topic will be maintenance and options for the replacement of the hedges in the future. The June meeting of the Board of Directors will follow at 7 pm with an agenda item for discussion of new roof colors and house and trim paint colors. Hope to see all of you there.

Please note that it is not acceptable to show up at any Board member's home to discuss personal community grievances or any HOA matters. The directors kindly request that all neighbors respect their privacy and time with their families. The directors are your neighbors and volunteer their time to help the community and to ensure transparency on issues. Furthermore, the Board has a policy that excludes discussing HOA business one-on-one with our neighbors; private discussions about violations, procedures or grievances are not to occur. Such discussions can often lead to misinterpretations, misunderstandings and unnecessary confrontations, which are not productive. The management company exists to discuss Association matters, or you may email your concerns and allow the Board to email you back. Thank you for being a considerate neighbor.

The Board can be reached at [starlightboynton@gmail.com](mailto:starlightboynton@gmail.com). Please feel free to email if you have any concerns, or if you are in need of any assistance relating to the Association. Your management company, Southern Shores Management, can be reached at: Office: 561-460-2619, [www.southernshoresmanagement.com](http://www.southernshoresmanagement.com). The property manager, Stephen Kogler, is also available to answer any questions. Stephen is very knowledgeable and helpful.

Thank you.
