How important is repairing / repaving our roads?

- Urgent / Critical
 Important
 Somewhat Important
 Not important
 Roads are fine. No need for repairs or repaving at this time
 I don't know.

Do you favor a one-time Special Assessment of \$500 per home to fully fund the Road Reserve ?

- YES
 NO

Do you favor a Monthly Dues increase of \$30-\$35 per home in order to fully fund the Road Reserve ?

- YES
 NO

Please rate the PRIORITY of the following paving considerations (from 1=Highest Importance, to 7=Lowest)

- Cost
 Quality
 Inconvenience while repaving/resurfacing
 Appearance
 Necessity of doing something soon
 Delay the cost & inconvenience as long as possible
 Only start paving when we have all the required funding in the bank to do the job right the first time.

Would you favor resurfacing/repaving in "sections" ("front" of the Community roads in 2017, and "back" in 2018) if it will save \$10,000?

- YES
 NO

Would you prefer to "blacktop" (also called seal coating) the roads now until we have sufficient funds in the Road Reserve to resurface the roads in 2018? (NOTE: This would cost an additional \$20,000-\$30,000 AND require TWO separate complete road closures.)

- YES
 NO

Would you favor a loan to repave the roads, understanding that interest will increase the costs by \$8,000 ?

- YES
 NO

Do you know of any industry studies, research reports, or other reliable documentation (not simply a link to an internet BLOG) that would help us determine what road surfaces are Good - Better - Best, or what approaches we should use?

- YES If so, please provide it to us, or identify how we can get
 NO

The Board of Director's will host a community informational meeting on Wednesday, 31 August at 7 pm at the pool pavilion. The purpose of the meeting will be to discuss the results of the Road Reserve Study, proposed options for paving the roadways and finance options for fully funding the reserve. We invite all homeowners to attend as your participation is welcomed and encouraged. Most importantly, by attending, you will be able to make a direct impact on the future direction of our community with regard to the roads and a positive impact on the value of your home. Hope to see everyone there and its a great opportunity to meet your neighbors.

ON THE BACK PAGE, PLEASE FIND A QUESTIONNAIRE WHICH WILL HELP THE BOARD UNDERSTAND THE THOUGHTS OF THE COMMUNITY REGARDING THE ROAD PROJECT. PLEASE TAKE SOME TIME AND COMPLETE AND BRING WITH YOU TO THE MEETING SO YOUR INPUT CAN BE A PART OF THE DECISION. IF YOU CAN'T ATTEND, PLEASE GIVE YOUR QUESTIONNAIRE TO A NEIGHBOR TO BRING TO THE MEETING. THANK YOU FOR YOUR ASSISTANCE.
