

Starlight Cove W.C.C Meeting Summary

April 28th, 2016

Hello Neighbor! Just in case you were unable to attend the Workshop meeting on Thursday, April 28th and are interested in some of the meeting items that were discussed:

1. There was about a one-hour discussion between the Board of Directors regarding management concerns related to First Service Residential. Discussion included financial (unresolved homeowner accounts), property management (problems with contractual functions such as bids, communications, etc.)
2. Following the one-hour, the First Service Residential Boca Raton office Vice President, Director of Client Relations and Regional Director were met with the Board of Directors where there was discussion regarding the services provided from First Service Residential within the present contract.
